

Loan Funds Available at Cedar-Knox PPD

In October, 2007 Cedar-Knox PPD received grant funds through a USDA (United States Department of Agriculture) program. The REDL&G (Rural Economic Development Loan and Grant) program established the capacity for a public body, such as Cedar-Knox PPD, to obtain and match grant funds for needed economic growth.

Projects that promote rural economic development, create jobs, improve infrastructure, start or expand a business, or buy an existing business are some of the possibilities. CKPPD has been using these funds toward economic development loans the past few years, **but we want to do more.** We want to get the word out and hope to hear from someone who is interested in this funding avenue for their future endeavor.

To promote economic development

If interested contact CKPPD, Janet Albers at 402-254-6291 or 1-800-891-5196, or stop in at our office in Hartington.

Look Both Ways –

Do you remember your parents telling you to look both ways before crossing the street? Good advice for sure.

Cedar-Knox PPD would like to remind you to look both ways, but in this case we are also asking you to look “UP” and “DOWN”. Check for overhead lines when using large equipment, moving irrigation pipe and flying kites just to name a few instances. Look down when you are going to do any excavations, planting trees and putting in underground sprinklers for example. Call 811 Diggers Hotline to locate free of charge.

Remember, no job is too small to follow these precautions. Your SAFETY is a big deal. Look both ways; UP and DOWN.

Happy Easter!
