OUT!

We are happy to announce yet another way to pay your bill! This new and easy option is called Quick Pay. This is a simple way to pay without having to log in with a username and remember a password.

Want to try it out? Go to our website www.cedarknoxppd.com and look for the orange button labeled QUICK PAY. Once you click that button, minimal information is needed. Enter your account number and at least three letters of your last name. Next click on the link that says "Make a one-time payment." Finish out by selecting the amount to pay and the card or account to pay from. This is another alternative we are proud to offer to make things easy for our customers!

HAPPY Retirement

Ed Kalin has retired from Cedar-Knox Public Power after more than 20 years of service to the company. During his time at CKPPD, Ed was employed as the mechanic. Ed and his wife Donna have lived in the Coleridge area for many years. They have two sons and four grandkids: Nathan/Shelly Kalin (Harper and Henrik) and Jared/Tiffany Kalin (Cali and Lily).

In the near future, Ed and Donna will be moving to the Omaha area to be closer to their children and grandchildren. Over the years, Ed has been responsible for the total maintenance of all of Cedar-Knox's equipment. Ed's contributions will be valued and remembered. On behalf of everyone at CKPPD, we want to extend our well wishes for all that lies ahead.

Did you Know?

There is an energy efficiency incentive for installing attic insulation? You can receive \$0.30/square foot rebate with a maximum amount of \$600 per existing residential home - **this amount has doubled from last year!** New construction and/or additions do not qualify.

For more information, visit our website at <https://cedarknoxppd.energywisenebraska.com/residential/> or call Matt at 402-254-6291 or 800-891-5196.

Congratulations

Pamela Heikes is celebrating 10 years of service as a Cedar-Knox PPD employee. She began in March of 2013 as our Receptionist/Billing Clerk. Pam is now our Billing Supervisor and also assists with Load Management, the Advanced Metering Infrastructure (AMI) software, and more.

Pam and her husband Jason, live east of Hartington with their kids: Dylan, Lily, and Lainey. When she isn't at work she enjoys reading, boating, and watching/helping with her children's activities.

Congratulations Pam, and thank you for 10 years of dedicated service!
