Volume 20, Number 2

## Monthly Bill Credit Begins

As stated in the last newsletter, there is no rate increase for 2020 and this month marks the beginning of a one-year Production Cost Adjustment (PCA) credit on your electric bills. This credit is being given back to Cedar-Knox PPD by our wholesale power provider, Nebraska Public Power District (NPPD) due to their cost controls, as well as the revenue generated from sales into the Southwest Power Pool. Cedar-Knox PPD Board of Directors approved the passing of this credit onto our customers in accordance to the current rate policies.

The PCA credit is based on your KWH usage times \$0.003751 and will be listed separately on your bill for you to see. (see example). This credit will apply to your bill(s) from February 1, 2020 to January 31, 2021. As always, if you have any questions or concerns, please feel free to contact us.

Cedar-Knox Public Power District offers many payment options to help our customers. Perhaps it's time to try out one of these alternatives to help you possibly save time, postage, and avoid potential late fees! All of our options are fast, easy, and free to the customer. Our many options include:

### Automatic Payment from Checking Accounts or Savings Accounts

Customers can have their monthly electric bill paid automatically from their checking or savings account each month. The payment withdrawal is done on the 20th or 25th of each month depending on your billing cycle. If the withdrawal date lands on a weekend, the payment will be made on the following business day. Monthly statements will reflect current usage with the notation "Paid by Bank" and the exact withdrawal date will be noted. To sign up for this convenient payment option, stop by the office or the form can be found on our website [www.cedarknoxppd.com](http://www.cedarknoxppd.com) under the Billing Tab > Payments. Please print out the form and drop it off or send it to our office PO Box 947, Hartington, NE 68739. Please provide a voided check or deposit slip from the account you wish to use.

### Recurring Credit Card Payment

Cedar-Knox PPD offers a payment option in which your electric bill is automatically charged to your credit card each month. You will still receive a monthly statement with your current usage and billing information. The notation "Paid by CR Card" will be listed along with the exact date your card will be charged at the top of your monthly statement. Credit cards will be charged on the 25th or 30th of each month depending on your billing cycle. If the charge date lands on a weekend, the charge will be made on the following business day. To sign up for this convenient payment option, stop by the office or the form can be found on our website [www.cedarknoxppd.com](http://www.cedarknoxppd.com) under the Billing Tab > Payments. Please print out the form and drop it off or send it to our office PO Box 947, Hartington, NE 68739.

### Online

Customers can access their information on the CKPPD website anytime day or night. Cedar-Knox PPD allows customers to check balances, due dates, usage history, and make payments with a credit card, debit card, or electronic check information. To sign up for this convenient payment option, stop by the office for assistance or visit our website [www.cedarknoxppd.com](http://www.cedarknoxppd.com) and click on the orange "Pay My Bill" button at the top right of the screen. First time users need to click on the green "Register" button in the middle of the screen to set up an user name and password to begin.

### Payment by Phone

Customers can make payments by calling into the office during office hours. Contact us when you want to pay and our office personnel can take a credit card, debit card, or electronic check information.

### Payments with Cash or Check

As always, Cedar-Knox PPD accepts cash or checks to pay all bills. These can be mailed to us, dropped off during business hours at our office, or put into our drop box.

Please call our office at (402) 254-6291 to discuss any of the above options in more detail. Thank you.

# Employee News

**Stacy Knutson** recently completed 5 years of service at Cedar-Knox PPD on March 2, 2020. Stacy is our Receptionist and is typically the first one you talk to when you call or stop in. Stacy and her husband Todd have two girls, Tessa and Maya. Thank you, Stacy, for your hard work and the great job you do!

Promoted to Operations Coordinator for Cedar-Knox PPD is **Tim Loberg**. Tim began his career at CKPPD over 25 years ago as an Apprentice Lineman, moving to Journeyman Lineman, and then Crew Foreman. Tim was most recently the Purchasing/Safety Director. Congratulations Tim!

**Matt Sudbeck** has been named the Purchasing/Safety Director for CKPPD. Matt began at CKPPD on May 11, 1994 as an Apprentice Lineman, moving to Journeyman Lineman, and most recently Crew Foreman. Congratulations Matt!

*Congratulations to Stacy, Tim and Matt!*

LINeworkERS KNOW HOW TO GET THE JOB DONE.

LET'S THANK THEM FOR POWERING OUR LIVES.

Lineworker Appreciation Day  
April 13, 2020

## Attention Irrigators:

Please contact our office regarding any changes to your irrigation accounts for 2020 such as: your control option, to sign up for text messaging, or to change the name of the person to be billed for a system. The deadline for control changes is **April 30, 2020**, but we appreciate advanced notification. Look for more information to come in our annual irrigation letter to be sent out late March/early April.

## LOOK BEFORE YOU PLANT

Cedar-Knox Public Power asks that special care be taken in the selection and placement of newly planted trees near overhead power lines and other electrical facilities. Choosing the right tree and planting it in the right place will ensure safe and reliable electric service to you and your neighbors. Trees with a mature height greater than 15 feet should never be planted near power lines, as pruning or removal may be necessary. Contact us with any questions about power line clearance and safe recommended planting locations.

## FREE CAMP OPPORTUNITY

Cedar-Knox PPD is accepting applications from area 9th, 10th, and 11th grade students to attend the Youth Energy Leadership Camp held in Halsey, NE July 20-24, 2020. This five-day camp is set up to give young people a better understanding of the legislative process, electric power generation and the rural electric program, while enjoying

traditional camp activities, such as basketball, volleyball, and canoeing. The students even have a chance to win a free trip to Washington, D.C. All camp expenses and transportation are provided by Cedar-Knox.

The deadline to apply is May 1, 2020. For more information, contact Mary Lammers at (402) 254-6291 or [mjlamme@hartel.net](mailto:mjlamme@hartel.net)
